Organiser :

ESTD. : 1947

Co-Organiser :

Why we need Exhibition on Construction material?

Gujarat's residential sector has multitudes of active projects. In the commercial sector there are host of medium and large scale of projects. Various construction activities are on-going in the education and healthcare sectors. Gujarat is also seeing increased activity in hotels industry adding to the hospitality market.

Various construction activities continuously need innovative material for :

Site and Foundation, Pillar & Beams, Carpenter work, Door frames, Doors & Windows, Walls, Kitchen and Bathroom - ventilators, plumbing, water proofing and fittings for platform and sink, Tiles, House Elevation, Plastering, Painting, Electric work - wiring, switches, power earthing, Water tanks and Parking space.

What will the Exhibitors' display?

Nirman Exhibition 2013 will be the 28th in the series and growing. It has become the leading industry event of Gujarat for Companies seeking new business development and networking opportunities.

Nirman Exhibition is the key for sourcing new products and services, identifying future trends, making and maintaining business relationships. Exhibitors will be showcasing hundreds of the latest products and construction solutions.

Along with the best sustainable construction products and introduction of key organizations, there will be leaders who are shaping the business in the State.

Organisers - GICEA :

Visitors' Gain

Nirman Exhibition has grown tremendously over the last decade and established as a must-attend exhibition in Gujarat. The developers and builders use the event to source new products displayed.

Nirman is expecting hordes of Industry leaders, developers, contractors, consultants, government bodies, financiers, architects and interior designers to attend the event.

The visitors will get perfect opportunity to explore a wide spectrum of innovative products presented

Here there is a concurrent show!
The visitors will have easy access to 2 synergetic trade fairs highlighting the latest trends and developments. Leaders of both industries will look at wide collection of products under one roof

Exhibit your products :

Exhibitors can show case their Products through conventional method - **"SHELL SPACE"** or design own area for blending style with products called **"BARE SPACE"**.

Another prestigious avenue is through **Sponsorship Platinum & Gold** that will carry your Company's brand equity. The advantage is to get prominence and stand tall

Then there are numerous other methods to get more eye-balls like - Display Towers or promotional gifts to Visitors, Logos on the Invitation Cards, Badges & T-Shirts worn by volunteers, Registration Counter

Invitation cards will be given to all participants for inviting their desired audience to the exhibition site.

There will be promotional activities to attract visitors through various media.

Venue : Ahmedabad Education Society Ground, Drive in Road, Ahmedabad
